

IMPORTANT!! PLEASE READ !! IMPORTANT!!

PROPOSED HIGHWAY 19 INTERCHANGE AT NAHMINT ROAD

Various Ministry (Transport and Environment) requirements and restrictions are associated with accessing Highway 19 at the Corcan Road overpass and several options have been considered. The above option is restriction/requirement compliant and makes use of existing roadways, which will minimize construction and related costs. A right turn lane connected to Nahmint Road, is all that would be required for traffic from the south to exit Hwy. 19. Traffic from the north would exit Hwy. 19 via a left turn (controlled by lights) leading onto Nahmint Road. Nahmint Road would also accommodate access onto the highway from Corcan Road. A right turn off Nahmint would take you north and left turn (controlled by lights) would enable southbound traffic.

The '**Corcan-Meadowood Residents Association**' has been established as a non-profit organization to provide residents with a vehicle and voice for identifying and accomplishing this and other development/improvement projects in our area. There is a \$5.00 per-residence membership fee to join the association with the proceeds being used to cover the costs of maintaining the association and furthering the goals of the community.

To join the association and share your position on the Highway 19 Access Proposal, complete the appropriate area(s) on the reverse and forward this along with a cheque or money order payable to **Corcan-Meadowood Residents Association** by:

Regular Mail: 1680 Peligren Place, Qualicum Beach, B.C. V9K 2S3

Drop off: At Meadowood Store

QUESTIONNAIRE

Completing the questionnaire is voluntary and not necessary to join the association. However, the association does need know whether there is significant support for the Highway 19 Access Proposal and we therefore ask that you convey your position on that matter. As the association wishes to learn more about the residents it has been established to serve, it would be greatly appreciated if you would take time to answer our questions. Thank you.

Do you support the Highway 19 Access Proposal? Yes No (please circle)
