Alf Jablonski, resident, POSAC

Minutes for December 16, 2010 Adopted - Elaine

\$1777.28 is current bank balance for CMRA..

Wendy Marshall is the manager of Parks and Services responsible for upgrading surface of parking lot for Little Qualicum River Park. Thank-you letter was sent to Tom Osborne, Manager of Recreation and Services regarding this matter. Elaine would like a letter to go out to Wendy. action: Ramona

Gerry paid a visit to Office of Member of Parliament, Dr. James Lunney. Gerry spoke to Curtis Hansen, executive assistant to find out what federal initiatives could fund our Highway access. New programs may work for us. He wants our proposal to the minister and we can present to James with an explanation and cost estimates for the project and more details. action: All

Gerry and Ozzie measured distances of common destinations to help residents calculate costs of driving the current route as opposed to driving with highway access.

Dave calculated fuel, maintenance, tire and depreciation costs with different vehicles. This information is laid out, numerically. Elaine will have that converted to graph and picture form so information is available at a glance. action: Elaine

We are now preparing for our next meeting with the Highways minister. Several options may be presented there. Scott Fraser is waiting until the Liberals have a leader, then will approach the highway minister for another meeting. Elaine will keep in touch with Scott.

Planning community information meeting postponed to next meeting, February 23.

POSAC has approved a study for a community park. Alf will prepare preliminary study for POSAC. action: Alf

Bob Dendoff, puts on emergency preparedness seminar for RDN neighbourhoods. Elaine will arrange seminar for our area. In other areas, Bob starts a program and the local neighbourhood takes it in a direction suitable to that particular neighbourhood. He has a powerpoint presentation and other handouts. action: Elaine
