Dear Minister:

Re: Corcan- Meadowood Residents Association Highway Access Proposal

I write to you regarding an innovative proposal sent to you in December 2011 from the Corcan-Meadowood Residents Association.

The Association consists of residents living on or owning property in the Regional District of Nanaimo in an area known as Meadowood, north of Qualicum Beach on Vancouver Island.

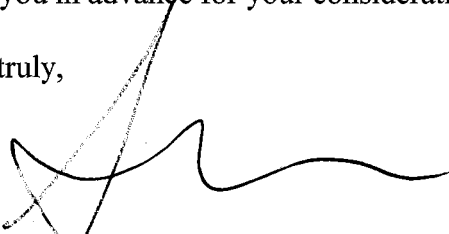

Their proposal regarding access to the Island Highway (Highway 19) has been developed by the Residents Association in consultations with the Regional District, Ministry staff and the previous Minister of Transportation.

Regarding the proposal, I am requesting a meeting with you and appropriate staff, members of the Corcan-Meadowood Residents Association and myself, as MLA, to discuss this innovative plan.

I look forward to hearing back from you regarding possible meeting dates.

Thank you in advance for your consideration of this important issue.

Yours truly,

Scott Fraser, MLA
Alberni-Pacific Rim
